Here I go again  
Well I can't hold it anymore  
I can't hold in the pain  
The pain has knocked down this old door  
I don't know what to do  
I don't know what to do  
But I miss you

It's written all over my heart  
My soul  
Well I can't let her know  
I can't let it show  
I can't let it go  
It's written all over my heart and soul  
If I could I'd let her know  
I'd let her know  
(sure)

Here I go again  
Well I can't make it on my own  
Where do I begin  
When I feel so all alone  
I don't know what to do  
I don't know what to do  
But I miss you

It's written all over my heart  
My soul  
I can't let her know  
I can't let it show  
I can't let it go  
It's written all over my heart and soul  
If I could I'd let her know  
I'd let her know

Well I can't seem to face it  
Oh that I am here and you are there  
And you don't seem to really care  
Well you can't seem to face it  
What's left of me  
Is for you to see, Oh

It's written all over my heart  
My soul  
I can't let her know  
I can't let it show  
I can't let it go  
It's written all over my heart and soul  
If I could I'd let her know  
I'd let her know  
It's written all over my heart

It's written all over my heart and soul  
If I could I'd let her know  
I'd let her know  
Know, know, know  
I'd let her know  
Let her know  
Let her know
