Maybe the earth is flat,
Maybe when we can we can't.
Maybe the sky is the ground,
Maybe the sun isn't round.

One step forward and two steps back,
(One step forward and two steps back)
Don't do this and don't do that.
(Don't do this and don't do that)

Maybe our life is a dream, (yeah)
Maybe it's some make-believe, (yeah)
Maybe when we lost we've won, (yeah)
Maybe it's fun you have fun. (yeah)

One step forward and two steps back,
(One step forward and two steps back)
Don't do this and don't do that.
(Don't do this and don't do that)

Take a look around,
Tell me what you've found.
Life is a mystery
And we're all spellbound, (oooh)

And maybe we're tiny planets
Stuck in a big black hole.
And maybe God's the only one
that can free our soul.

One step forward and two steps back,
(One step forward and two steps back)
Don't do this and don't do that.
(Don't do this and don't do that)

Na na na na na na na
Na na na na na na na
Na na na na na na na
Na na na na na na na

One step forward and two steps back,
(One step forward and two steps back)

Don't do this and don't do that.
(Don't do this and don't do that)

One step forward and two steps back,
(One step forward and two steps back)
Don't do this and don't do that.
(Don't do this and don't do that)
