Wake up at six
To watch te news
I feel so low
DonÂ´t know what to do

Slip on my shoes
Slick back my hair
I feel so bare
Without you
Without you

Step out the door
To greet the night
Without my love
To drown the noise

Light up a smoke
My lungs fill up
IÂ´m so abused
Without you
Without you

chours
You make me feel
Like anything is possible
When IÂ´m inside of you
IÂ´m inside of you

Slip on the bus
To a shoulder rub
I catch her eyes
SheÂ´s completely drunk
She licks her lip
Pulls back her dress
And says "IÂ´m yours"
How about now?
How about now?

chours

When IÂ´m lost
Inside the world

You're so naive
To control
I try so hard
Still I'm cold
Still I'm cold

chours

You make me feel
You make me feel
You make me feel
