Like an ogre you are devouring hearts

Under the mask your vile face smiles

Starving demons without salvation

Could you hear melody from the execution block

Tsumi to kudaketa kokoro ga samayoi aruitemo
yuresarenu omoi subete ga mune wo tsukisashite

My spirit, leave the poisoned abyss, draw from the
deep lake of infinity

Meguru unmei no tobira akeru kagi kono te no naka ni
nai(1) aru guuzou o kowaseba

Sou mawaru sekai wo kono ude de hiki yose
dakishimenakereba yuu utsu na kono sora wo

I know suffering isn't celestial nor earthly but supreme
sanctuary,
Origin of imagination
New life is born in this world ruled by chaos

Towa ni sasageta karada wa datenshi ni kawari te
(2)mebae yui hikari o matotte habataki

Meguru unmei no tobira akeru kagi kono te no naka ni
nai(1) aru guuzou o kowashite

Sou mawaru sekai wo kono ude de hiki yose
dakishimenakereba yuu utsu na kono sora e

Nageki kanashimi de haritsukeni sareta karada o hiki

Yogoreta chi o subete nagashite
Karada ni kizamareta chikai no akashi wo

Shukumei no tobira ni
