The moth spreads its poison
Multiplying parasite
Taken by viciousness
Too many ghosts

Anata ni wa kao ga nai Chisei wa okizari ni shite
Shinin no gigen nado Kono yo ni wa sonzai shinai

e-x-c-l-u-de, fade away, vanish
e-x-c-l-u-de, fade away, vanish

You have no face

Your intellect is left behind
Egoist Stained with jealousy
Where is it, your being?
You are fixed by a spell

Akui wo daku mitometemo
Sono utsuro na yume kuuhaku no mama
Sonzai sura kizukarenai
Agasthiya ga egaku hametsu no scenario

If you don't believe in yourself in the endless void,
The problems of this world are made by your desires.

The moth spreads its poison
Multiplying parasite
Taken by viciousness
Too many ghosts

Anata ni wa nani ga aru dokuga wo migaku kotoshika
Shinin wa kan no naka de yasuraka ni nemurebait

e-x-c-l-u-de, fade away, vanish
e-x-c-l-u-de

Akumu no naka nigenobitemo
Agasthiya wa sou azakeri
Shinu made daite nemuru ga ii

If you don't believe in yourself in the endless void,
It's a sad world to hold grace, nihilism

Agasthiya to tomoni hametsu no scenario
