This hole burns in my mind  
This fire that I cannot deny  
I'll choke your words away  
And smile as we begin to fade

My conditioning  
So say all of you  
Mine or everything  
So say all of you to me

Your words to break me down  
Now touch this bitterness you've found  
I'll choke your words away  
And smile as we begin to fade

My conditioning  
So say all of you  
Mine or everything  
So say all of you to me

And still I burn  
And still I burn  
And still I burn  
My old machine is worn  
Worn...

My conditioning  
So say all of you  
Mine or everything  
So say all of you to me

And still I burn  
And still I burn  
And still I burn  
My old machine has worn

My hope away  
My hope away  
My hope away  
Away
