So close your eyes  
Your christ has come  
The crippled boy that you once knew  
The charmed enigma chosen one  
With painted lips  
Skin ripped and torn  
Come touch and feel and lick and smell  
This envy that i've worn so well  
Everybody wants  
Everybody says  
Everybody begs  
In time  
So drink me in  
Like tainted wine  
Come bite down on my sharpened cup  
And taste the dreams that numb the mind  
A simple word  
A harmless glare  
That binds me with the thinnest thread  
And pins me down to pleasure's bed  
Everybody wants  
Everybody says  
Everybody begs  
In time  
And you will be the first to fall  
Every feeling will dissolve  
We are silver  
Morphine baby's final breath  
Ever smothered to my chest  
We are silver  
So shy and poised  
With few regrets  
A judas kill a complex thrill  
A memory i won't soon forget  
Been washed out clean  
'til all runs dry  
Come touch and feel and lick and smell  
The hurt that only you could sell  
Everybody wants  
Everybody says  
Everybody begs

In time  
And you will be the first to fall  
Every feeling will dissolve  
We are silver  
Morphine baby's final breath  
Every smothered to my breast  
We are silver  
Trip  
Sister i will follow you  
This time  
Knowing i will follow you  
Everybody wants  
Everybody says  
Everybody begs  
In time  
You will be the first to fall  
Every feeling will dissolve  
We are silver  
Morphine baby's final breath  
Ever smothered to your breast  
We are silver
