If you're driftin' on an empty ocean  
With no wind to fill your sail  
The future, your horizon  
It's like searchin' for the holy grail

You feel there's no tomorrow  
As you look into the water below  
It's only your reflection  
And you still ain't got no place to go

Time will show  
When, I don't know

Sail away tomorrow  
Sailin' far away  
To find it steal or borrow  
I'll be there someday  
Yeah, yeah

Oh woman, I keep returnin'  
To sing the same old song  
The story's been told, now I'm gettin' old  
Tell me, where do I belong?

Feel like I'm goin' to surrender  
Hard times I've had enough  
If I could find a place to hide my face  
I believe, I could get back up

Time will show  
When, I don't know

Sail away tomorrow  
Sailin' far away  
To find it steal or borrow  
But I'll be there someday  
Yeah, yeah

Sail away tomorrow  
Sailin' far away  
To find it steal or borrow  
But I'll be there someday

Yeah, yeah

Sail away tomorrow  
Sailin' far away  
To find it steal or borrow  
But I'll be there someday  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah
