No shame in my game I bust you out of your frame.
The week and the spineless I love to maim.

He's the bully on the block so start running
the path of the wide and the crooked when he's
coming. x2

Poisoned with hate and fear so I don't wanna hear.
Neglected as a child so I act crazy and wild.

He's the bully on the block so start running
the path of the wide and the crooked when he's
coming. x2

This is my world! (pigwalk, pigwalk)
You're in my world! (pigwalk, pigwalk)
This is my world! (pigwalk, pigwalk)
You're in my world!

Mad at the world like a time bomb ticking.
Find an innocent punk to start kicking.

He's the bully on the block so start running
the path of the wide and the crooked when he's
coming. x2

This is my world! (pigwalk, pigwalk)
You're in my world! (pigwalk, pigwalk)
This is my world! (pigwalk, pigwalk)
You're in my world!
(x3)
