Thinking about the past now  
thinking of you and me  
always together playing  
and kissin behind the tree  
round and round , hand in hand  
walking down the street  
singin' the songs of love you liked !  
so i' m writing this song to say

Ti voglio ancora bene sai  
with all my heart , with all my soul  
restiamo ancora insiene noi  
I will never lie, i won' t make you cry

i' m writing this song for you my baby  
hoping that you' ll come by  
and i would like to kiss your tender lips  
i' m dreaming of you everynight  
i' m searching in my self to salve  
this point of loveliness  
but now i know you find my love  
we' ll stay together again

Ti voglio ancora bene sai  
with all my heart , with all my soul  
restiamo ancora insiene noi  
I will never lie, i won' t make you cry

I believe in our love  
i have a dream  
i' ll promise you  
all my life...  
i believe in our love  
and now you' ll see  
i' ll care for you  
all the time

Ti voglio ancora bene sai  
with all my heart , with all my soul  
restiamo ancora insiene noi  
I will never lie, i won' t make you cry
