Hello sunshine, I dropped it in gear
And it was prime time I tried to be sincere
Threw out my 1 line I haven't used in years
Is there any Irish in you?

Would you like some? Tell me who's your dad
I know it sounds dumb but that's all I had
I gotta backtrack, here's the four one one
Tell me if this one will do

Did you happen to see the most beautiful girl in the
world?
Standing next to me well

She's my girlfriend, long legs and perfect hair
Well she's my girlfriend and I'm the only one to touch
her there
If your some other guy, I just might dot your eye
And I think it's pretty plain to see, she's coming home
with me

Friday night I thought I would score
Had my raincoat on before I hit the door
I dropped the top down on the Aries K annnnd
roooolled

And all the guys there fell, stopped and stared
That's when I knew that we should not be there
I saw a mud flap, then I hit the tap
But the last thing that I said was

Did you happen to see the most beautiful girl in the
world?
Standing next to me well

She's my girlfriend, long legs and perfect hair
Well she's my girlfriend and I'm the only one to touch
her there
If your some other guy I just might dot your eye
And I think it's pretty plain to see, she's coming home
with me

Did you happen to see the most beautiful girl in the
world?
She rode with me
Did you happen to see the most beautiful girl in the
world?
And left without me

She's my girlfriend, long legs and perfect hair
Well she's my girlfriend and I'm the only one to touch
her there
If your some other guy I just might dot your eye
And I think it's pretty plain to see, she's coming home
with me

She's my girlfriend
Well I hope she's coming home with me
She's my girlfriend
And I hope she's coming home with me
