"Almost Persuaded"

Last night all alone in a barroom met a man with a drink
in his hand
He had warm brown eyes coal black hair and the smile
that would tempt any one
Then he came and sat down at my table and as he
placed his strong hand on mine
I found myself wanting to kiss him for temptation was
flowing like wine
And I was almost persuaded to strip myself of my pride
Almost persuaded to push my conscience aside

Then we danced and he whispered I need you
Let's go away from here and I'll be your man
But as I looked into his eyes and I saw it the reflection
of my wedding band
And I was almost persuaded to let strange lips lead me
on
Almost persuaded but your sweet love made me stop
and go home (and go home)
