You've come to tell me something you say I oughta  
know  
That he don't love me anymore and I'll have to let him  
go  
You say you're gonna take him but I don't think you can  
Cause you ain't woman enough to take my man

Women like you they're a dime a dozen you can buy  
'em anywhere  
For you to get to him I'd have to move over and I'm  
gonna stand right here  
It'll be over my dead body so move out while you can  
Cause you ain't woman enough to take my man  
[ guitar ]  
Sometimes a man start lookin' at things that he don't  
need  
But he took a second look at you oh but he's in love with  
me  
I don't know where they leave you oh but I know where  
I'll stand  
But you ain't woman enough to take my man

Well now women like you...  
You ain't woman enough to take my man
