You give your hand to me and then you say hello
And I can hardly speak my heart is beating so
And anyone could tell you think you know me well but
you don't know me
No you don't know the one who dreams of you at night
And longs to kiss your lips and longs to hold you tight
To you I'm just a friend that's all I've ever been but you
don't know me

For I never knew the art of making love though my
heart aches with love for you
Afraid and shy I let my chance go by the chance you
might have loved me too
You give your hand to me then you say goodbye
I watch you walk away beside and I wanna cry
You'll never never know the one who loves you so no
you don't know me
No you don't know me
