I don't wanna fool around
I'm not gonna waste my time

I'll break down and cry
All these lonely nights
Scream it everywhere I go
I'm willing go try
I feel it deep inside
Sorry Charlie now I know

I m wasting time
I'm foolin' around
I m gonna miss your love
I m wasting time
I'm foolin' around
I m gonna miss your love

I'll lay down and try
Not a groovy life
Screw it honey let it flow
I'm willing to try
I feel it deep inside
Sorry Charlie now I know
