Did you see me run
I thought I saw you hide
Did you see me laugh
I thought I saw you cry
It seems a little strange the image on the wall
Is talking to me but I'm all alone

Here I am, the mirror man
Invisible but I just can't hide
Here I am, the mirror man
Watch me walking to the other side

Walk on by, walk on by, walk on by, walk on by
He's the mirror man, everybody dance
Walk on by, walk on by, walk on by, walk on by
He's the mirror man, everybody...

Walk on by, walk on by
Take a long ride through outer space
Take a short walk along a subterrain
I feel so alone in this part of town
I think you and I should be going down
Leave your wings, you don't have to fly
Dry your tears, there's no need to cry
Take a breath and Baby dance with me
I'll take places you have never been

At times I saw you laugh
At times I saw you cry
At times I saw you run
At times I saw you hide

Hey hey hey ah
