I swim around your island
All you do is knock me down
Our fingers haven't died yet
In this darkness I will pray
In this darkness I will pray
In this darkness I will pray
In this darkness I will pray

Come and see, it's for free
Come and see, it's for free

I know it's hard, I know it's hard
I know it's hard, I know it's hard
I know it's hard, I know it's hard
Can't you see that

When I touch the surface
I see there is nothing around
I kill the soul that I bless
In this darkness I will pray
In this darkness I will pray
In this darkness I will pray
In this darkness I will pray

Come and see, it's for free
Come and see, it's for free

I know it's odd, I know it's odd
I know it's odd, I know it's odd
I know it's odd, I know it's odd
