Stop the bleeding
Stop the hurting
Stop the pain tonight
Put an end to this heart ache
Do the one thing right
Quit the trying
Quit the lying
Choke the fire now
Let it die, let it die

Just walk on by
Turn away and close your eyes
Pretend you never met me,
Knew me at all

Please give up
Don't you think I've had enough
Cause I don't have the strength to say
Go away
I'm begging you

Kill this love tonight
I don't wanna fight
If you love me leave me
If you love me leave me
Pull the trigger now
Don't care if I cry
If you love me leave me
Have the heart to kill this love

You keep stopping by
For something that you left behind
Cause you just wanna see me bleed
But help me please
I'm begging you

Kill this love tonight
I don't wanna fight
If you love me leave me
If you love me leave me
Pull the trigger now
Don't care if I cry
If you love me leave me
Have the heart to kill this love

Stop the bleeding
Stop the hurting
Stop the pain tonight
Put an end to this heart ache
Do the one thing right
Quit the trying
Quit the lying
Choke the fire now
Let it die, let it die

Stop the bleeding
Stop the hurting
Stop the pain tonight
Put an end to this heart ache
Do the one thing right
Quit the trying
Quit the lying
Choke the fire now
Let it die, let it die

Kill this love tonight
I don't wanna fight
If you love me leave me
If you love me leave me

Kill this love tonight
I don't wanna fight
If you love me leave me
If you love me leave me
Pull the trigger now
Don't care if I cry
If you love me leave me
Have the heart to kill this love

Stop the bleeding

Stop the hurting
Stop the pain tonight
Put an end to this heart ache
Do the one thing right
Quit the trying
Quit the lying
Choke the fire now
Let it die, let it die
