Just ordinary people
God uses ordinary people
He chooses people just like me and you
Who are willing to do as He commands

God uses people that will give Him all
No matter how small your all may seem to you
Because little becomes much
As you place it in the Masters hand

Oh, just like that little lad
Who gave Jesus all he had
How the multitude was fed
With a fish and loaves of bread

What have may not seem much
But when you yield it to the touch
Of the the Master's loving hand
Then you will understand how
Your life could never be the same

Just ordinary people
God uses ordinary people
He chooses people just like me and you
Who are willing to do as He commands

God uses people that will give Him all
No matter how small your all may seem to you
Because little becomes much
As you place it in the Masters hand
