If you try you can touch the sky
There's no reason for you to cry, whoa!
And I know you are profound
Like a string quartet that I have found, whoa!

I divide and open wide
You said goodbye but I will survive, whoa!
Broken down in the streets of this town
Without a hope in an ocean of sound, whoa!

Ride ride, ride with me tonight
Ride ride ride
Ride ride, ride with me tonight

Ride ride ride

I was hoping that you'd be amused
When you heard that I was abused, whoa!
And I don't even know where you are
In Calgary you can't see the stars

Ride ride, ride with me tonight
Ride ride ride
Ride ride, ride with me tonight
Ride ride ride

Ride ride, ride with me tonight
Ride ride ride
Ride ride, ride with me tonight
Ride ride ride
