Hey Whatnauts, what's happenin'?
The moment's what it is brother
Hey, lets talk about what we recorded and talk about
this.
What is that?
Girls
Right on

Girls, I like 'em fat, I like 'em tall
Some skinny, some small
I got to get to know them all
Girls, I love the things they know
Love the things they show
Got to be where they go
Pretty girls with sunshine in their hair
The perfume that they wear
Girls are everywhere
I'd like to be on an island with five or six of them fine
ones
Even one that ain't good lookin'
They're the ones that do the best cookin'
Give me one with a lot of money
Give me two with a lots of honey
Give me three that do them freaky things
Give me four fat mama's that like to swing
Girls, I love the things they know
Love the things they show
Got to be where they go
Patted girls with sunshine in their hair
The perfume that they wear
Girls are everywhere
Girls, super fine, mighty fine
Sugar and spice and everything nice

I'd like to be a magician, then I could stop wishing
I'd take my magic wand and, "Puff" I'd have big fun
If the guys could see me they'd swear I was Houdini
Before they could count from one to three
I'd have ten girls standing next to me
Girls, I love the things they know
Love the things they show
Got to be where they go

Sweetie girls with sunshine in their hair
The perfume that they wear
Girls are everywhere

Girls, I love the things they know
Love the things they show
Got to be where they go
Pretty girls with sunshine in their hair
The perfume that they wear
Girls are everywhere

Pretty girls, super fine, mighty fine
Sugar and spice and everything nice
Spice, especially nice
