She is...  
A girl that I met at the mall.  
She had the grace of a horse  
and was very beautiful.

Behind my old man's farm  
I wrote her name on my arm.  
and I fell in love

Winter came,  
and she left my life.  
So I got a job,  
and I took my parents advice.

Bought myself a car  
Bought myself some clothes

Now I know it's all At the Mall  
All my friends are waiting there.  
All at the Mall  
They said I will forget about her.

It's all At the Mall  
It's all At the Mall  
Mmm-hmm.

Sometimes I...  
Go for walks at night.  
I stare at the sky  
and I see her face.

Something deep inside  
Tells me I'm alone

Tells me that it's all At the Mall  
I can shop until I drop  
All At the Mall  
We'll do whippets behind the soda shop.

It's all At the Mall(22x to fade)
