My Lord

I ã€ˆ™ ll never find the words, my Lord

To tell You how I feel, my Lord

Mere words could not explain

Precious Lord

You hold my life within your hands

Created everything on earth

Taught me how to live again

Only You

You cared when I needed a friend

Believed in me through thick and thin

This song is for You

Filled with gratitude and love

I'll praise You

You make me feel brand new

I'll sing this praise to You

You make me feel brand new

I sing this song ã€ˆ™ cause You

You make me feel brand new

My Lord

Whenever I was insecure

You built me up and made me sure

You gave my life back to me

Precious Lord

In You I ã€ˆ™ ll always have a friend

You ã€ˆ™ re someone who I can depend

To walk a road that sometimes the end

Without You

My life has no meaning or rhyme

Like notes to a song out of time

How can I repay

You for having faith in me

I'll praise You

You make me feel brand new

I'll sing this praise to You

You make me feel brand new  
Our praise is due to You  
You make me feel brand new

I raise my hands to You  
You make me feel brand new  
I sing this song 'cause You  
You make me feel brand new
