[By Jacob-Hans]

He psychiatrist what can I do  
I think my life needs something new  
I want to be the one I should be  
This is the story of soul insanity  
A raging soul inside  
Destroying everything I want  
What made me change  
This isn't me. I'm going insane  
We're seeking to happiness in our lives  
That's what we're living for  
The soul should keep me strong  
But rage and insanity make my soul forget  
Forget  
I'm lost in my own self-esteem  
Nothing will succeed only in my dreams  
Waiting for what comes next  
In this world I'm trapped  
Living in chaos everyday  
No luck how could I care  
I'm used to it, so don't tell me  
I have nothing more to say  
A raging soul inside  
Destroying everything I want  
What made me change  
This isn't me. I'm going insane  
Damn this world  
Only pain and hate  
There's nothing more  
I'm only hate and war  
I roam in my own thoughts  
This isn't what I'd planned  
I Cannot stand the truth  
My Life becomes untrue  
I think you'd better kill yourself
