It was a party night, it was the end of school

He's head was feelin' light, the first time

She seemed much older then, she had turned
seventeen

And she knew some older men, the first time

Come said the boy, let's go down to the sand

Let's do what we wanna do, let me be a man for you

Oh-woh-woh-oh, oh-woh-woh-oh

Oh-woh-woh-oh, oh-woh-woh

And she said

Well I've been waitin' for a long time

And you've changed a lot

Up till now it's been the wrong time

To know whether to come here or not

Oh, now come with me boy, just take my hand

I'll let you see what you wanna see

Come on, be a man for me

Hoh-oh-oh, we've both been waitin' for a long time

We've both changed a lot

Up till now it seemed the wrong time

To know whether to come here or not

Oh, but come said the boy, let's go down on the sand
Let's do what we wanna do, let me be a man for you
Just say come with me boy, just take my hand
I'll let you see what you wanna see
Come on be my man for me
Oh-woh-woh-oh, oh-woh-woh-oh
