Your world is as cold as ice, your world is so nice

But you don't want me arou-ound

Your world is a barren place, that look upon your face

Says you don't want me arou-ound

I might break into your coo-ool world

Break into your coo-ool world

I'll break into your-our coo-ool, coo-ool, coo-ool wor-orld

In your world there are no regrets, your goals have all been set

There are no more to be fou-ound

Your world is so well controlled, you will not be told

You know you don't hear a sou-ound

It might break into your coo-ool world

Break into your coo-ool world

Break into your-our coo-ool, coo-ool, coo-ool wor-orld

Somewhere way down deep inside, passion burned so bright

And walls are shakin'

In the tunnel deep and wide our two worlds will collide

If I am no-ot mista-aken

Cool and calm your world may be, but why do you believe

That you don't want me arou-ound

Well, I can touch you in a way, that you'll cease to say

That you don't want me arou-ound

I will break into your coo-ool world

Break into your coo-ool world

I'll break into your-our coo-ool, coo-ool, coo-ool wororld

I will break into your coo-ool world

I'll break into your coo-ool world

I'll break into your-our coo-ool, coo-ool, coo-ool wororld

'Cause your so-o, your so-so coo-ool

It's such a cool-cool wor-orld

Break in, break in, aghh, coo-ool world

Break in, oh-ho-ho, coo-ool world

I'll break into your-our coo-ool, coo-ool, coo-ool wororld

Yes I will break into your coo-ool world

Break into your-our coo-ool world

Break into your coo-ool, coo-ool, coo-ool wor-orld (fade)
