I know your name, I told you mine
We've stopped and passed the time of day
You work in town, I work at night
That gives us six until seven to-oo work this out

If I seem a little strange
It's just the state of the heart
I'm waiting here for you
In the state I'm in

You are the moon, I am the sea
You pull me in and gaze on down at me
I was alone, I thought I was immu-u-u-une
It's good to know the door can still be open wide

If I seem a little strange
It's just the state of the heart
I'm waiting here for you
In the state I'm in, oh-oh yeah

If I seem confu-used
It's just the state of the heart
I wait in the dark
In the state I'm in, yeah-ee
Yeah-eah-eah-ee, yeah-ee
Yeah-eah-eah-ee...ee...

If I seem a little strange
It's just the state of the heart
I'm waiting here for you
In the state I'm in, oh yeah-eah

If I seem confu-used
It's just the state of the heart
You know I wait in the dark
In the state I'm in

It's the state of the hear-eart (state of the heart)
The state of the hear-eart (state of the heart) woh-ooh
It's the state of the hear-eart (state of the heart)
The state of the hear-eart (state of the heart) woh-ooh...
