So many questions lurk in my head  
Is this love or just my imagination  
Thinking as I lay in my bed  
I feel that I'm losing this game of temptation  
When he smiles at me he sets my world on fire  
My heart is giving in  
To words that spell desire

Chorus:

Its up to you, give in to me  
Girl can't you see  
I just can't afford to play with my heart  
Give in to love  
Cause love holds the key  
To unlock the door that keeps us apart

My girlfriends tell me this is my chance  
I know that they're right deep inside I can feel  
To make it last when I used to ---  
I put up a fight so he'll appreciate me  
My heart says deep inside  
That we'll be more than friends  
But thats a secret that I'll keep until I hear his words

Chorus

Give in to me  
Girl can't you see  
Your heart will surrender just give me one night  
Give in to love  
Cause love wants to be  
A part of a our world girl so just give up your fight

I can give in, my heart says give in  
I should give in, surrender surrender (2x)

I can, give in to me  
You can , girl can't you see  
We will, your heart will surrender just give me one night  
Give in to love  
Cause love wants to be

A part of a our world girl so just give up your fight

Chorus
