They don't really want to do it
But somehow they're all made to
Put the pressure on you baby
Still they feel guilty just because that they do
Don't just stop
And they ain't gonna change
You might say resistance is good
And they ain't gonna change
They don't really want to do it
But somehow they're all made to
Their hands are tied from above
By people we'll never know
But they don't just stop
And they ain't gonna change
I can see you struggling, but hey
They ain't gonna change
Their hands are tied from above
By people we'll never know
Don't just stop
Don't just stop
Don't just stop
They ain't gonna change
I can see you struggling, but hey
They ain't gonna change
I can see you struggling, but hey
They ain't gonna change
But they ain't gonna change
They ain't gonna change
They ain't goinna change
But that won't change the way that I feel
