Câ´mon in, cuz I got second thoughts
This evening, is just made for us
Lights are low
TensionÂ´'s gone
I think itÂ´'s time
We just get it on

Câ´mon in, cuz I got second thoughts
Tired of whining, I know it will work for us
Lights are low
TensionÂ´'s gone
Think itÂ´'s time
We just get it on

ItÂ´'s been hurting all the way with you Joanna
- WeÂ´'ve been through all this before. Jo, I canÂ´'t take
this no more
ItÂ´'s been hurting all the way with you Joanna
- WeÂ´'ve been arguing and were stuck. Now were
stranded out of luck

I know that weÂ´'re supposed to have all these
problems, right?
But tell me what is the point in sorting them out
tonight?
Lights are low
TensionÂ´'s gone
And I think itÂ´'s time
We just let it on

ItÂ´'s been hurting all the way with you Joanna
- WeÂ´'ve been through all this before. Jo, I canÂ´'t take
this no more
ItÂ´'s been hurting all the way with you Joanna
- WeÂ´'ve been arguing and were stuck. Now were
stranded out of luck

I donÂ´'t want it this way, and neither do you
No more talk tonight, we donÂ´'t need it
CanÂ´'t you see it really hurts

ItÂ´'s been hurting all the way with you Joanna

- We've been through all this before. Jo, I can't take
this no more
It's been hurting all the way with you Joanna
- We've been arguing and were stuck. Now were
stranded out of luck

Things don't change but baby I have
- C'mon baby now let's fuck
Maybe I just ain't the one and baby, yes you should
get going.
But tonight.
Let's just get it on.
