Câ´mon in, I got second thoughts  
This evening, is just made for us  
Lights are low  
TensionÂ´'s gone  
I think itÂ´'s time  
We just get it on

Câ´mon in, I got second thoughts  
Tired of whining, I know it will work for us  
Lights are low  
TensionÂ´'s gone  
I think itÂ´'s time  
We just get it on

ItÂ´'s been hurting all the way with you Joanna  
- WeÂ´'ve been through all this before. No, I canÂ´'t take  
this no more, no more, no more  
ItÂ´'s been hurting all the way with you Joanna  
- WeÂ´'ve been arguing and were stuck. Now were  
stranded out of luck

I know that weÂ´'re supposed to have all these  
problems, right?  
But tell me what is the point in sorting them out  
tonight?  
Lights are low  
TensionÂ´'s gone  
I think itÂ´'s time  
We just get it on

ItÂ´'s been hurting all the way with you Joanna  
- WeÂ´'ve been through all this before. No, I canÂ´'t take  
this no more, no more, no more  
ItÂ´'s been hurting all the way with you Joanna  
- WeÂ´'ve been arguing and were stuck. Now were  
stranded out of luck

I donÂ´'t want it this way, and neither do you  
No more talk tonight, we donÂ´'t need it  
CanÂ´'t you see it, canÂ´'t you see it, canÂ´'t you see it  
It really hurts

It's been hurting all the way with you Joanna  
- We've been through all this before. No, I can't take  
this no more, no more, no more  
It's been hurting all the way with you Joanna  
- We've been arguing and were stuck. Now were  
stranded out of luck

Things don't change but baby I have  
- C'mon baby now let's fuck  
Maybe I just ain't the one and baby, yes you should  
get going.  
But tonight.  
Let's just get it on.
