I get off at three a clock in the morning  
That's just how it is and it won't change  
Ain't sad enough to tear  
You and me were always out there dancing  
But i don't get around much anymore  
Ain't sad enough to tear  
I'll keep the hurt at bay  
Ain't sad enough to tear for you  
You just left me merely blue  
And I'm not sure what's left to say  
Get left along the way  
Kept telling my friends  
Don't worry in time I'll make it trough  
But I can't smile  
Because you see  
It didn't work out, No  
Not good at all for me  
I'll keep the hurt at bay(4x)  
Ain't sad enough to tear  
I'll keep the hurt at bay  
Ain't sad enough to tear for you  
You just left me merely blue  
And I'm not sure what's left to say  
But how could you leave me right along the way  
Seams to work out right for all my friends  
It never ever works out right for me  
Why never ,ever for me then  
The door is locked and I can't find the key  
You just left me merely blue
