What's the use in trying?  
I just can't make my dreams come true  
What's significant about them?  
They all included you

mm, ooh ohh ooh every day that I were  
baby that's for you and I  
ever step that I take  
baby that's for you and I  
that's right

(thank you baby  
for it all.  
for it all)

ooh ooooh oh ooh ooooh  
What's the use in trying?  
I just can't make my dreams come true  
What's significant about them?  
They all included you

Ooooooh.  
Every day, that I were  
baby that's for you and I  
every word that I sing  
baby that's for you and I  
that's right

(thank you baby  
for it all  
for it all)

ooh ooh  
oooooh ooh  
every day that I were  
baby that's for you and I  
every step that I take  
baby that's for you and I  
that's right

(thank you baby

for it all  
for it all)
