"Marriage Blue"

I chose this way of my own mind.
If you're going then so am I.
I spell bound your love. I don't know ever since.
I had come under your spell.
You make me happy anytime. I'm now walking on air.
I wanna go with you for everything. That's hand in
hand.

My love I want to say "Have good night my love"
Not saying "Good bye". Smack you on the forehead.
Star light , Star bright, First star I see tonight.
I wish I may I wish I might have the wish. I wish tonight.
Will you marry me?

Please speak all your mind. I'm speak all my mind.
I'm happy just been together. I wanna snuggle to you
always.
You are my life. You are my pleasure. You are my
everything.
I think this is not popular song.
I swear with all my soul. My love is true.

They lived happily ever after.
