It's being a sunny day! I went out for a walk alone. Where am I going now? going now? Going now sandy beach. I want to swimming, fishing, eating BBQ The sun was shining brightly above my head. I never expected to see you today!!! Yeah yeah yeah

A chance meeting with you. I was alone. She was alone, too. I fell in love with you at first sight. She gave me shy glance and she gave me sunny smile, baby.

Today is the gladdest day of my life.

She became my sunshine.

"Would you like to come with me?" "I'd love to !!"

Be an angel don't leave me alone.

Don't leave me alone. Baby whatever happens.

Ask and you will receive. Seek and you will find. Knock knock and the door will be open. The stars will begin to appear in the sky.

All goes well.
