You open up the door with the negative aura
You say future is morky indeed...
I'm sick of hearing your gripe.

Open up the door with negative aura
If you never change
I think There is no way my life fizzle out

You open up the dorr with negative aura
(I'm fed up fed up fed up)
You say future is murky indeed...
I'm sick of hearing your gripe.

Open up the door with negative aura
(I can't keep up with you)
There is no way my life fizzle out

(Oh well)
If you are at a loss as to what to do
Raise you stiff middle finger.
It will know which way the wind blows.

Don't chain down your affection
Awaken primal feeling Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let yourself loose every feeling joy to grief

Go against headwind or ride on the talewind
Game is in your hands
How do you play
Follow your brainstorm!!!

How long will you go on lying
Get wise tie yourself down
How long will you go on lying
Breakdown a stick tight empty smile mask!!

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Go against headwind or ride on the talewind
Game is in your hands
How do you play
Follow your brainstorm!!!
