Love leaps into motion,
Trying to keep hanging on,
When I need a reason to wake up,
I find you turning,
Laughing and smiling;

Love you girl but sometimes,
I feel like you leave me behind,
Now you don't have to mind it,
I'll find you shining,
Everyday by day;

Sing of love,
My sister,
In this world which everyone is lonely,
Everything will be fine someday;

Remember,
Playing in the backyard,
Hiding myself in your eyes,
Seems you never could catch me,
I find you crying,
Weeping in darkness;

Sing of love,
My sister,
In this world which everyone is lonely,
Everything will be fine someday,
Someother day;

Love leaps into motion,
Trying to keep hanging on,
When I need a reason to wake up,
I find you turning,
Laughing and smiling;

Sing it up,
My sister,
In this world which everyone is lonely,
Everything will be fine someday,
Some other day;

Sing it up,
My sister,
In this world which everyone is lonely,
Everything will be fine someday,
Some other day,
Some other day;
