(Go! Go!)
(Hey!)
I've never dreamed before
I'm gonna knock the door
Into the world of perfect free
(You ain't no lonely!)

You're gonna say I'm lying
I'm gonna get the chance
I thought a chance is far from me
(You ain't no lonely!)

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!

I've never dreamed before
I'm gonna knock the door
Into the world of perfect free
(You ain't no lonely!)

You're gonna say I'm perfect
But now I've made it through
How many times I've tried but failed
(You ain't no lonely!)

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!

You are the sun
You are the star
(To me, forever!)

You are the sun
You are the star
(To me, forever!)

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!
(I was made to hit in America!)

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!
(I was made to hit in America!)

I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!
(I was made to hit in America!)
I was made to hit in America!
