I don't know when I changed into,
Such a cold cold hearted guy,
I have to thaw this frozen icy,
Lonely heart of mine;
I like being wrapped with warmness more then,
Anything else for sure,
I'm gonna take my coming days,
And fill them with laughter and joy;

I let myself down be being,
Crueler then I thought I would be,
I'm just a loser learning,
To caring for the soul inside of me;

I don't give my hear to no one 'cause,
I don't wanna waste my time;
I tried to love this loneliness,
To slip out of where it hides;

Sorrow is what I hate,
But it's grown my sensations;
Regrets taught me how,
To make any hard decisions;
Peace is always by my side,
But I've never felt it once;
Love is not a word reserved,
Only for a sweet romance;

Well I'm scared,
I'm scared,
I'm scared,
I'm scared to death;
And I'm scared to keep on going my way,
Yeah;

Well I'm scared,
I'm scared,
I'm scared,
I'm scared to death;
And I'll tell myself I'm special too the end;

Recalling my torn broken,

Aching heart of these long days;
And all the memories I wanted,
To forget for making waves;

Recalling and breaking,
Aching,
Crying;
Making sure I see,
That I take it all,
And grin at the future on it's way,
To me;

Sorrow is what I hate,
But it's grown my sensations;
Regrets taught me how,
To make any hard decisions;
Peace is always by my side,
But I've never felt it once.
Love is not a word reserved,
Only for a sweet romance;

Well I'm scared,
I'm scared,
I'm scared,
I'm scared to death;
And I'm scared to keep going on my way,
Yeah;

Well I'm scared,
I'm scared,
I'm scared,
I'm scared to death;
And I'll tell myself I'm special too the end;

I don't give my hear to no one 'cause,
I don't wanna waste my time;
I tried to love this loneliness,
To slip out of where it hides;
