What if I told you  
It was all meant to be  
Would you believe me  
Would you agree  
It's almost that feeling we've met before  
So tell me that you don't think I'm crazy  
When I tell ya love has come here and now

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Oh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment, like this

Everything changes  
But beauty remains  
Something so simple i can't explain ..oh..  
Well I may be dreamin  
But til I awake  
Can't we make this dream last forever ..oh..  
And i'll cherish all the love we share

For a moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Oh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment, like this

Could this be the greatest love of all  
I wanna know that you will catch me when I fall (fall)  
So let me tell you this  
Some people wait a life for a moment like this  
ohh like this

ohh oh I can't believe it's happening to me

Some people wait a life time for a moment like this

ooh oh like this
