Featuring DMX

I Ain't Goin Home Tonight

By: Monica featuring DMX

DMX:

We knew what it was

When we became a part of it

Monica:

Yeah

Theres something on your mind

I can see right through you

I know your girl ain't treating ya wrong

But she ain't no good for you

Why do you hold it inside

Boy, you should let me know

I just wanna make it right

Wanna be the one you can cry on

DMX:

Baby, its like I love my wife

We gonna do things

And I ain't goin home tonight

I ain't got time for a ****

Or is he still wit you

Wanna meet at the same spot

Or should I come and get you

Aight, be there in ten

Be in the front

Ive been gettin what I need

So I'm gonna give you what you want

One on one, you know how to talk the dog

You walk the dog, and understand your dog is hard

Monica:

So you, you ain't gotta go home tonight

You can stay right here with me

DMX:

I ain't goin no where

When you wake up I'm gonna be right there

Monica:

Yeah, yeah dont you worry bout a thing

DMX:

I ain't worried bout shit

Monica:

You're here with me

DMX:

Look, Its like I love my wife
We gonna do things
And I ain't goin home tonight aight

Monica:

Its kinda strange, that when you call
Shes never home and youre there all alone
And you deserve so much more
Baby I can treat you better than she can
It doesnt make since to keep on lovin
And keep on trustin
When in return, all you get is nothin

DMX:

Damn, got me huffed up and I'm feelin it more
Never had a miss stress this stress before
Cmon ma, like it ain't that deep
Like ain't no love there
Like I dont hate that, I gotta creep
We go to sleep in each others arms
And I feel like this is where I belong
If fluffing you is right, then I ain't wrong
This the same ol song
Life and fam, gotta be a father and husband
But I'm still your man

Monica:

So you, you ain't gotta go home tonight
You can stay right here with me

DMX:

I ain't goin no where
When you wake up I'm gonna be right there

Monica:

Oh I, dont you worry bout a thing

DMX:

I ain't worried bout shit

Monica:
You're here with me

DMX:
Its like I love my wife
We gonna do things
And I ain't goin home tonight, aight

Monica:
The situations gettin critical
I watch so many tears fall
I know shes not what you want
So why you keep on holdin on
When, I'm right here
All you need to do is call
Dont be afraid, cause she wont know at all

You ain't gotta go home tonight
You can stay right here with me
(stay with me)

DMX:
I ain't goin no where
IN UNISON:
When you wake up I'm gonna be right there
Monica: when I wake up you better be right there

Monica:
Dont you worry bout a thing (no, no, no, no)

DMX:
I ain't worried bout shit

Monica:
Youre here with me (youre here with me)

DMX:
Its like I love my wife
We gonna do things
And I ain't goin home tonight, aight

Monica:
Ooh, ooh You ain't gotta go home tonight (no)
You can stay right here with me (stay with me)

DMX:
I ain't goin no where,
When you wake up I'm gonna be right there
