Mmm...been a long time  
Yea...yea...yea  
Oh...oh...oh...  
Oh...oh...oh...  
Can I talk to you for a minute

Verse 1:

Inseparable that's how we were  
Through anything you were my world  
I gave you, you shared with me  
For the love of you I give anything  
I would chill wit you, you and your crew  
And if I complain bout the things you do  
But I see it now, how it all went down  
I can't take no more don't want you around  
Never told me the whole truth  
Never reaching back I knew  
You refused how could you do this to me?  
Through the hurt so now I see  
That you came for you and me it can't be  
These are the last tears that you see from me

Chorus:

Cause I ain't gonna cry no more  
Cause I'm sick of you hurting me  
I ain't gonna cry no more  
Because you don't deserve me  
I ain't gonna cry no more  
Pack your stuff up and leave  
I ain't gonna cry no more  
Cause I'm tired of you, me, and she

Verse 2:

And now I can't believe all the things you did  
All your secret trips just to see your kids  
What about the crib that I never been  
Cause that's the one that she lives in  
But soon you see cause the man is not  
In your love affair was gonna be forgot  
And you will miss me but I won't miss you

You can pull the key cause now we're through  
Never told me the whole truth  
Never wishing that I knew but we're through  
You didn't have to do what you did to me  
You want her so now I see plans  
We made for you and me they can't be  
These are the last tears that you see from me

Chorus:

I ain't gonna cry no more  
Cause I'm sick of you hurting me  
I ain't gonna cry no more  
Because you don't deserve me  
I ain't gonna cry no more  
Pack your stuff up and leave  
And don't forget to leave my key  
I ain't gonna cry no more  
Cause I'm tired of you, me, and she

Verse 3:

Used to think that you and me were in love  
For sure but I was wrong cause you led me on  
But now I found I'm cool without you around  
You gotta bounce, I'm tired

Chorus:

I ain't gonna cry no more  
Cause I'm sick of you hurting me  
It's not the fact that it's your baby  
I ain't gonna cry no more  
But it's the fact that you lied  
Because you don't deserve me  
And it hurt me  
I ain't gonna cry no more  
Pack your stuff up and leave  
Cause you don't mean me no good  
I ain't gonna cry no more  
Cause I'm tired of you, me, and she

Repeat chorus 1x

Bridge:

I'm sick of you  
I'm through with you  
I'm done with you  
I'm tired of your lies

Repeat chorus 1x
