Check it out.Yeah yeah yeah

Naughty up in here(That's why I love you baby)

Time to bring the ruckus with rap

From the beginning till we're out(That's why I love you baby)

Introducing Miss Thing Monica

That's right representing ATL to Illtown(That's why I love you baby)

Everybody get up out of your seats and fix your body

For ain't nobody(That's why i love you baby)

It goes like this!

VERSE 1:(MONICA)

You've been more than good to me

Give me all that I could need

There's a little thing you do,baby

Never fight in front of your friends

Take me ridin in your Benz

Spending time,let me know that I'm on your mind,baby

Because everytime I say "I love you" it's with a pride

And everytime I say "I need you" it's from inside

Because my heart is forever,the things you do

You do just for me,that's why I love you baby

CHORUS

Ain't nobody gonna love you like I do

Ain't nobody gonna treat you the way I treat you(That's why I love you baby)

Ain't nobody ever loved me like you do

Ain't nobody to compare to you

That's why I love you baby

VERSE 2

(TREACH)

You think your lucky caught a quicky in a nap

A hicky on your lap

That's the payback for the scratches you left on my back

You wouldn't need a toy-friend with a boyfriend

Or somethin proper if you slept under the thunder
Keep my number I heard your next best is now ya next
ex
'Cause in the middle what a best sex "Hey yo Treach"
An' I ain't mad at'cha yet

What'cha pimp daddy don't know won't hurt him.
Who loves ya best?

(MONICA)

Treat me like your young lady
Special things you say to me
Feels so good to be with you my baby
Doesn't matter what they think
'Cause I'm gonna be here anyway
There's no need to feel ashamed because you're on
my mind

And everytime I say "I love you" it's with a pride
And everytime i say "I need you" it's from inside
Because my heart is forever,the things you do
You do just for me,that's why I love you baby

CHORUS x 2

That's why I love you baby

VERSE 3:(TREACH)
