I see you girl, darkchild  
I got my eyez on you  
Monica, let me see what you workin' with  
Let's dance, yeah come on, come on

When I step in the club  
There's so much love  
All eyez on me  
All the girls and thugs  
Glasses go up  
It's that time, baby

If you're looking right  
And your game is tight  
Come chill with me  
Get up on the floor  
And dance some more  
The night's just beginning

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

Now when I'm doin' my thang  
You checkin' for me  
Just step my way  
Don't you be  
Too shy or be ashamed  
You get love from me

So when we movin' close  
We're toe to toe  
Just dance with me  
And when we've come to an end  
Me and my friends  
We'll do it again

I can feel your eyez on me  
You're watchin'

And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'

And I can tell that you're feeling it, too  
Know you do, know you do

Come on let me see you work it out  
I'm a pretty young thang, I'ma turn it out  
Party all night, workin' it out, till the lights out  
Till the early morn, till the morn

Don't you know now is the perfect time  
I can make it right, makin' you all mine  
Baby, tonight if you hold it down  
I can give you all that I got

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know you do, know you do

I see you  
(Ah, baby)  
You watchin' me  
(Ah, baby)  
I see you  
(Ah, baby)

All eyez on me  
(Ah, darling)  
All eyez on me  
(Ah, darling)
