I apologize for what I've done
I admit that I was losing control
Didn't know that I was selling my soul
To someone who didn't care at all

Couldn't see that you were bad for me
Gave so much 'til it was making me weak
Now I can't believe the way that it feels
To finally be free

I've moved on and I'm strong
I'm going back to the place where I know I belong
And I'm glad that you're gone
'Cause you're not what I need, I'm believing in me

I moved on and I'm strong
I'm going back to the place where I know I belong
'Cause I'm right and you're wrong
'Cause you're not what I need, this time I'm believing in me

The love I had for you was so deep
I didn't notice there was something wrong with me
When someone asked me was there anything I need
I would cry and tell them, pray for me

But now I know exactly what it is
So I'm changing up the way that I live
I'm never letting go of my dreams
And baby, you'll see

I've moved on and I'm strong
I'm going back to the place where I know I belong
And I'm glad that you're gone
'Cause you're not what I need, I'm believing in me

I moved on and I'm strong
Going back to the place where I know I belong
'Cause I'm right and you're wrong
You're not what I need, I'm finally believing in me

So, I hope you can forgive me

I'm not gonna be the way that I used to be
Starting over can be so scary
But I'm gonna believe

Promise, I'm not gonna let me down
And my transformation's starting right now
But I'm really glad you stuck around
'Cause you believed in me

So, I've moved on and I'm strong
I'm going back to the place where I know I belong
And I'm glad that you're gone
'Cause you're not what I need, I'm believing in me

I moved on and I'm strong
Going back to the place where I know I belong
'Cause I'm right and you're wrong
You are not what I needed, I'm finally believin' in me

Finally, finally believe in me, me, me
