The boy is mine

The boy is mine

The boy is mine

The boy is mine

The boy is mine

Excuse me, can I please talk to you for a minute?

Uh huh, sure

You know?

You look kinda familiar

Yeah, you do too

But um, I just wanted to know

Do you know somebody named....

You, you know his name

Oh yeah, definitely, I know his name

But I just want to let you know that he's mine

Ha, no no, he's mine

1 - You need to give it up

Had about enough

It's not hard to see

The boy is mine

I'm sorry that you

Seem to be confused

He belongs to me

The boy is mine

Think it's time we got this straight

Let's sit and talk face to face

There is no way you could mistake

Him for your man, are you insane

[Monica]

You see I know that you may be

Just a bit jealous of me

But you're blind if you can't see

That his love is all in me

[Brandy]

You see I tried to hesitate

I didn't wanna say what he told me

He said without me he couldn't make

It through the day ain't that shame

[Monica]

But maybe you misunderstood

Cuz I can't see how he could

Wanna change something that's so good

Because my love is all it took

Repeat 1

[Monica]

Must you do the things you do

Keep on acting like a fool

You need to know it's me not you

And if you didn't know it girl it's true

[Brandy]

I think that you should realize

And try to understand why

He is a part of my life

I know it's killing you inside

[Monica]

You can say what you want to say

What we have you can't take

From the truth you can't escape

I can tell the real from the fake

[Brandy]

When will you get the picture

You're the past, I'm the future

Get away it's my time to shine

And if you didn't know, the boy is mine

Repeat 1

Repeat 1

You can't destroy this love I found

Your silly games I won't allow

The boy is mine without a doubt

You might as well throw in the towel

What makes you think that he wants you

When I'm the one that brought him to

These special places in my heart

Cuz he was my love right from the start

Repeat 1

Repeat 1

Repeat 1
