Verse 1

I've tried and I've lied
To myself to stop the tears
But it's been too many years
And you keep doin the same thing
Making the same old promises
Before you play with my heart again
Ima keep one hundred it's been on my mind
And before you get to lying let me tell you

Chorus

I'm sorry(Sorry)
But I can't be here anymore
Baby I'm sorry (Sorry)
Not even love can make me stay another day
Your holding on to me
When I know we need to be free
I just need sometime so I
can breathe

Verse 2

You say you want me by your side

I'm keep one hundred this been on my mind

Bridge

Get back
What you stole
Rebuild
What you broke down

Want be no more
Crying myself
To sleep
I'm over you
Time is over due
No need for all the lies
Cause I've made up my mind
Chorus
Baby I'm sorry(Sorry)
But I can't be here anymore
Baby I'm sorry (Sorry)
Not even love can make me stay another day
Your holding on to me
When I know we need to be free
I just need sometime so I
can
breathe
