And where we're you tonight? My dress fit me so nice,
my hair lookin so right, you're nowhere to be found.
I fluffed all the pillows, for me to lay with you, you're
making it so hard when it should be easy, but you got it
easy cuz you know I won't leave. I do all I can, ya don't
understand...

I wanna fall in love, love

Il wanna fall in love, whoa

I wanna fall in love

(catch me catch me catch me catch me)

But you gotta catch me

(catch me catch me catch me catch me)

Ohhhh

But you gotta catch me

You don't answer your phone

And I'm only calling to see how ya doing

If you're coming home

A little attention, is all that I'm asking

Cuz love should never hurt

As much as I want you

My hearts always cryin

But I can't cut you loose

I do all I can but you don't understand

I wanna fall in love, that's all I wanna do

Il wanna fall in love, oh

I wanna fall in love

(catch me catch me catch me catch me)

But you gotta catch me

(catch me catch me catch me catch me)

Ohhhh

But you gotta catch me, oh catch me catch me

Ohhhhh I ,

And i stay cryin

But I keep tryin yeah yeah yeah yeah yeah

You gotta know babe

You ain't perfect

I wanna fall in love, can you can you can you can you

Il wanna fall in love, fall in love ohhhhhh I

I wanna fall in love

(catch me catch me catch me catch me)

But you gotta catch me

(catch me catch me catch me catch me)

Ohhhh
But you gotta catch me
I wanna fall in love love love
