It's just one of them days  
When i wanna be all alone  
It's just one of them days  
When i gotta be all alone  
It's just one of them days  
Don't take it personal  
I just wanna be all alone  
And you think i treat you wrong

Verse 1:

I wanna take some time out to think things through  
I know it always feels i'm doing you wrong  
But i'm so in love with you  
So understand that i'm only in love  
You're the only one i need  
So have no thought that i want to leave  
And baby trust me please

Chorus:

It's just one of them days  
That a girl goes through  
When i'm angry inside  
Don't wanna take it out on you  
Just one of them things  
Don't take it personal  
I just wanna be all alone  
And you think i treat you wrong

Don't take it personal  
Baby, baby, baby, baby ,baby  
Don't take it personal

Verse 2:

I sit and i think about everything we do  
And i find myself in misery and that ain't cool  
Hey now, I really wanna be with you the whole way  
through  
But the way you make me feel inside leaves confused  
As i swing back mood to mood it's not because of you  
I never want you to be insecure  
So won't you understand that i'm only in love you're the  
only one i need

I'll be there for you when you need me boy  
So baby don't still leave

Chorus:  
Just one of them days

That a girl goes through  
When i'm angry inside  
Don't wanna take it out on you  
Just one of them things  
Don't take it personal  
I just wanna be all alone  
And you think i treat you wrong

Chorus:  
Just one of them days (Just one of them days)  
That a girl goes through  
When i'm angry inside  
I don't wanna take it out on you  
Just one of them things  
Don't take it personal  
I just wanna be all alone  
And you think i treat you wrong

Don't take it personal  
Baby, baby, baby, baby ,baby  
Don't take it personal

Don't take it personal, yeah  
Don't take it personal

Chorus:  
Just one of them days (Just one of them days)  
A girl goes through  
When i'm angry inside  
Don't wanna take it out on you  
Just one of them things  
Don't take it personal  
I just wanna be all alone  
And you think i treat you wrong
