[DFB]

RoRoRoRock then bend my knees, every time the beat drop

RoRoRoRock then bend my knees, every time the beat drop

You know pimpin make the beat drop, fuckin with a laptop

I make em do it do it, as soon as the beat drop

Might throw my towels out like Nick I like to wild out

I'mma stay in the game until I fall out

First I lean grab a ball and then I pop wit it (I pop wit it)

When they bring the mics the crowd I roc wit it (I rock wit it)

I never hind licks, trying to get it quick

When the songs come on they, like that's my shit

I can't help who I'm is, when they play my shh

I just love to dance, every time the beat drop

I love to wild out damn right, shake it all night

Hey that's my jam, every time the beat drop

I said UH, all the ladies in the club grab a dude

And you work it real slow, you can do it

Move it, till you make him lose it

RoRoRoRock then bend my knees, every time the beat drop

He gon' be a fan, every time the beat drop

I know you used to seeing Mo laid back

So for the most part you think I'm like that (dig this)

You about to get a glimpse of the fit

I'm givin niggas on the floor man

When I hit the door man

Cause I ain't one of these too bourgeois broads

Always in the club holding up the wall (now dig this)

You about to get a taste of the way

That we do it down here in the A

Let me say

I can't help who I'm is, when they play my shh
I just love to dance, every time the beat drop
I love to wild out damn right, shake it all night
Hey that's my jam, every time the beat drop
I said UH, all the ladies in the club grab a dude
And you work it real slow, you can do it
Move it, till you make him lose it
RoRoRoRock then bend my knees, every time the beat
drop
He gon' be a fan, every time the beat drop

Now I ain't talking bout a little two step
I'm talking bout some that'll make you sweat
And when I talk well I'm through talking
I'm about to do some move some let you see
something
When I say get gutta it's enough said
Do the bounce like you over on Bank head
And if anybody got a problem with the way you doin
you
Look em dead in the face and you say

I can't help who I'm is, when they play my shh
I just love to dance, every time the beat drop
I love to wild out damn right, shake it all night
Hey that's my jam, every time the beat drop
I said UH, all the ladies in the club grab a dude
And you work it real slow, you can do it
Move it, till you make him lose it
RoRoRoRock then bend my knees, every time the beat
drop
He gon' be a fan, every time the beat drop

[DFB]
I trick stats like killers and I blow that money
I'm drunk off the goose so I throw that money
I spill white T cash, yeah dat throwback money
When I step off in this spot like I know Dat's money
And my chain so stunnin tha colors diamonds you need
man
I ball all week, you wanna ball on tha week-end
Damn! And ye ain't fresh azimiz
It's DFB bitch, and I can't, I can't

I can't help who I'm is, when they play my shh
I just love to dance, every time the beat drop
I love to wild out damn right, shake it all night
Hey that's my jam, every time the beat drop
I said UH, all the ladies in the club grab a dude
And you work it real slow, you can do it
Move it, till you make him lose it

RoRoRoRock then bend my knees, every time the beat
drop
He gon' be a fan, every time the beat drop
